

SHERBORNE GIRLS UNIFORM

2023

SHERBORNE
GIRLS

Located on the school campus, the School Shop is the sole supplier of Sherborne Girls uniform and sportswear. The School Shop stocks all school requirements for pupils including:

- All items of school uniform
- Hockey, lacrosse sticks, lacrosse goggles and tennis rackets
- School stationery
- Scientific calculators (required for all L4-U5 girls)
- Duke of Edinburgh kit (silva compass, sporks, waterproofs etc)
- Toiletries and hair accessories
- Greeting cards, gifts, wrapping paper and stamps
- Selection of confectionery, healthy alternative snacks and soft drinks

New Pupil appointments

The School Shop offers a full personal fitting service for new pupils, which takes approximately one hour. This is available by appointment on weekdays, including during the summer holiday period.

Please note that full payment is required for your daughter's initial uniform purchase, although once the school year has begun, further purchases can be added to the school bill either by yourself or your daughter for items under £30 (your permission is required to exceed this limit).

To make your fitting appointment, please telephone +44 (0)1935 818211 or email schoolshop@sherborne.com at your earliest convenience.

Services available

The School Shop offers the following services:

- Personal fitting appointments
- Uniform orders over the phone, via email, by post, or through the online shop:
<https://sherbornegirlsshop.com/>
- Name tapes and self-adhesive label orders
- Labelling (at an additional charge invoiced directly to you)
- Storage of uniform and delivery to the pupil's Boarding House, ready for the start of term.

Nearly New Uniform

The School Shop carries a limited stock of nearly new current uniform. This is available on a first come first served basis, but it must be noted that stock and sizes of particular items cannot be guaranteed. The normal selling price of nearly new items is approximately 50% of the cost of new items, although items are individually inspected and priced based on condition.

We are happy to accept current, excellent condition, laundered items for resale, or for donation to our Candlelight Bursary recipients.

Please contact schoolshop@sherborne.com for a copy of the paperwork required to accompany resale items. Items are held for sale for two years only, after this time, garments are donated to charity.

Shop Accounts

All items are available to purchase with cash, debit/credit card or charged to account. Purchases on account are made on production of a valid School Shop card.

All pupils are allocated an account when they arrive at Sherborne Girls. Accounts are automatically capped, with an allowance set at £250 (per term), for purchases of stationery, toiletries and tuck in the School Shop, as well as drinks and snacks at Queenie's Café in the Merritt Centre.

Parents who wish to change their daughter's allowance can email the Shop schoolshop@sherborne.com with the desired amount. Limits can be adjusted (up or down) at any time during the school term. Setting an allowance for uniform is not necessary as all single purchases over £30 require parental permission, which can be given via email, a phone call or your daughter can collect a permission form for signature by the relevant HM or Matron.

All purchases made on account will be collated and included on the termly bill in the Extras Schedule.

Labelling

Everything brought to school must be clearly marked with name tapes. This includes: all uniform, home clothing, bedding and towels. Name tapes should show, at least, the pupil's surname followed by their House initial (e.g. Bloggs RH). A supply of name tapes should be left with your daughter's Matron for naming any uniform purchased during term time.

The School Shop offers a nametape sewing service (chargeable and for SG School Shop purchases only). This service is subject to availability.

Tuck boxes and trunks/suitcases should be clearly marked with the pupil's name and House initial.

Books

All required class textbooks will be loaned to pupils by subject teachers. Loaned textbooks must be returned to the relevant department at the end of a school year or course. Failure to return textbooks or library books will result in a charge for the costs of replacement. If a textbook or set text requires annotation by the pupil, this will be charged for and the cost will appear on the subsequent bill. In this case, the pupil will retain the book.

Mouthguards

All pupils who play lacrosse or hockey are required to have a mouthguard to protect their teeth. The Medical Officers of Schools Association sees danger in ill-fitting self-applied mouthguards, and we advise that to conform to the requirements of the sports authority, mouthguards should be individually fitted by a reputable dental technician after the mould has been made by a dental practitioner. Alternatively, at the start of the Michaelmas Term, we arrange for a company to come into school to fit OPRO mouthguards.

Lacrosse Goggles

The wearing of goggles for lacrosse is mandatory for all players. A small selection of goggles is available to purchase from the School Shop.
